As per the email string below, I wanted to give you a list of the times we anticipate needing coverage for the Front Desk in January.

- **Wednesday, January 4th: 9-10am** [our monthly all-staff meeting]

- **Monday AND Tuesday, January 9th and 10th** [Celina will be gone on vacation—coverage will be needed for breaks for **BOTH DAYS**]
 - **10-10:15am**
 - **noon to 1pm**
 - **3-3:20pm**

- **Wednesday OR Thursday, January 11th or 12th** (date to be determined), **12-1pm** [our monthly all-staff training]

This is the bulk of the anticipated shifts. Occasionally meeting times change...also, in case of illness, we might need to ask for additional assistance. I always strive to provide as much notice as possible.

The project is currently in the feasibility study and conceptual design phase. The goal of the project is to create a passive trail along San Tomas Aquino Creek from Westmont Avenue to Virginia Avenue that will provide pedestrian and bicycle connections from residential areas to local schools and parks. On February 1, the Parks and Recreation Commission were presented with project background, overview, and community input results. At this meeting, the Commission will be presented with the proposed conceptual trail alignment, phasing of the trail segments, and the next steps on how the project would proceed. For additional information.
