Hi Dayvid, Happy New Year! Would like to chat if you have time in the next week or two about the best ways to engage a more diverse crowd, especially latino (like CWNA). Not from a WNAC perspective, but from a Catalyze SV perspective. We have ideas on what we would like to see in a community meeting and I'd like to share them with you and see if you think they are headed in the right direction (e.g., child care or translation services). Let me know what works! A coffee chat would be great! -Kirk
