**Strategy Meeting on DACA/DREAM Act (Next Steps) -- The silicon valley organization, 101 West Santa Clara Street, San Jose, CA 95113**

The UCLA Labor Center and the SVO would like to invite you to an important conversation on the future of DACA and the Clean Dream Act on **Thursday, January 18<sup>th</sup> from 10:00am to 12:00pm at The silicon valley organization, 101 W. Santa Clara Street, San Jose, CA 95113.**

As you may know, the Trump Administration eliminated DACA on October 5th, threatening the future for 800,000 immigrant youth. Unless we find a solution in the few weeks, DACA youth will lose work authorization and be subject to deportation.

Silicon Valley leaders could plan a crucial role in advancing this issue here in California and across the country. The meeting will feature a brief presentation from immigrant youth leaders on the Silicon Valley "Dream Summer" fellowship, an immigrant youth hack-a-thon held in September 2017, and plans for a "Rapid Response" program in the Silicon Valley beginning January 2018. We will also have a strategic conversation on how best we can work together to defend the rights of immigrant youth during this critical time.

I hope you can join us! Please RSVP to me directly by responding to this email.

Sincerely,  
Eddie
