Hello All,

Tap into your creative side and help us make awesome “friendship grams” to pass out during our Feb 14th Brunch to everyone on the floor! If you are available, we would love your help ☺ and anyone else from your office is welcome to join.

Please bring any craft supplies you don't mind donating to the Social Committee and hopefully between all our offices we can come up with some grams to make from that.

Thank you,

Dora

Climate Smart San Jose Press Conference -- City Hall Plaza
Dear Honorable Council and City Staff -

I am writing to invite you to a press conference February 15 marking the release of Climate Smart San José (CSSJ), a City of San José initiative to reduce greenhouse gas emissions (GHG) and ensure a long-term water supply.

Mayor Sam Liccardo and I will discuss Climate Smart San José, which aims not only to reduce the city's carbon footprint but also to improve quality of life for those who live and work in San José. The press conference will take place at 10:30 a.m. in the City Hall Plaza.

Climate Smart San José, formerly known as the Environmental Sustainability Plan, will make San José a climate leader, putting the City on a path to meet GHG reduction targets under the Paris climate agreement. The plan has three components: energy, mobility and water.

The Environmental Services Department has conducted extensive outreach to the community in drafting the plan, holding 12 public meetings and six technical workshops since 2017.

Beginning Feb. 15, our community will be able to review the Climate Smart San José plan by visiting www.sanjoseca.gov/cssj.

The City also will host a town hall meeting Feb. 20 to inform the community about Climate Smart San José and give residents an opportunity to ask questions. The meeting will take place at 7 p.m. on February 20 in Council Chambers.

The City Council will consider adopting Climate Smart San José on Feb. 27.

For more information on Climate Smart San José, visit
